Cindi dahil gus tomo makukuuhamo! It does not mean that when you want something, you will get it Hindi dahil mai ambision ka mai pangarap ka agada-gagad makakan tan mo ito kalimbawa, gustomumak abrod Para naman kahit pahano makatulu nong kasainyo But he didn't think he was a king of the sea, he wanted to, he could always go to Abroad. So he tried to. This is not for the sea, but for the sea. He wanted to find peace in that day. He was the commandant of the commonUP.

He tried to be peace, that's how he fought. So he didn't want to go for the sea, The first is the vision of the human body. The third is the body. There are three ingredients in order to be successful in life. One is to have a wishbone.

The second is to have a backbone. Third is to have a backbone. Wishbone is the way to live. The way to live is the only solution. It is not about the vision.

It is not about our vision. This vision is about the body. James and John. The second is to have a backbone. The second is to have a backbone.

But what do we know? We know. We know. Because we want to have a backbone. We want to have a backbone. We want to have a backbone.

We want to have a backbone. We want to have a backbone. This is our blessing. If you want to have a backbone because you want to have a backbone. Those who take ■■■ames will take the backbone, and if they all have a backbone, you will be able to have a backbone.

thinking you are only dreaming when you want something and yet you do not work for it. Having a backbone means you learn to persevere, you learn to be patient in suffering. And that's what you are doing. You are doing a lot of things. You are doing a lot of things.

You are only dreaming. Notice the second ingredient to success. You are doing a lot of things. You are doing a lot of things. Because you are doing a lot of things.

You are doing a lot of things. You are doing a lot of things. You are not doing a lot of things. Notice the second ingredient to success. The question is, can you prove that you really want it? Or is it just wishful thinking? Because you are doing a lot of things.

But you are doing a lot of things. You are doing a lot of things. You are doing a lot of things. You also need a fodder. Because you need a mother.

And you have nothing left. You are doing a lot of things. In your life, you do not need any money. Because God is doing a lot of things. In the world, you are doing a lot of things.

Not only to success, But for the sake of the people who are happy, enjoy life. In the midst of your challenges, in the midst of the sufferings of life. In the midst of the suffering of the people who are happy, even the people who are happy, they are happy, they are happy, they are happy, they are happy. We really need to try to have fun and enjoy in life. Because with joy, you can bear the hard things of life.

If the people who are happy and happy, if the people are happy, they will not be able to bear the hard things. We really need to bear it. But when you can bear the hard things of life, and then you can bear it, you will never have to wait for the Christ Puho. But you will have to be happy, persevere and you will not be able to bear the hard things of life. Enjoy, enjoy, enjoy, and enjoy.

There is a couple. Even if you have the ingredients, what do you need to do to make this? What do you need to cook in the kitchen? Not because you have the ingredients, you need to put it in the pot, and then shake it. And then, you just need to cook. You have to cook. That's not it.

There is a process. If you don't cook, you will be able to cook. Who do you cook? Who do you know? For when you cook, for the sake of the people, these are the things that are in our kitchen. God knows, that when you cook, when you cook, and you cook, you cook, you cook. Because unless God blesses your dreams, your effort, your life, you will never be fruitful.

You will never be successful. The first place that we should prosper should be in our spiritual life. In our spiritual life, we should have spiritual life. Our relationship is in our God's hands. Because this is what you see.

The spirit of your life, your life is so important. Amen? Can you repeat that? Please remember that.

Why is our spiritual life so important? Because your spiritual life is the engine. That carries you to your success in this life. And to the next.

What is the purpose of this? The purpose of this is to have nothing to do with your body. If you have nothing to do with it. What is the purpose of your life? That is the purpose of your spiritual life. Or you have a connection with your own body. What is the purpose of this? The purpose of this is to have nothing to do with your body.

It is like a person who has nothing to do with his body. What is the purpose of this? The purpose of this is to have nothing to do with your body. The display is only available. It is useless. There is no point in it.

It is just a matter of time. We should have a good time. We should have a good time. Before the prayer. If you want to have a good time, you should have a foundation.

This foundation is very important. It is just a matter of time. The spiritual life is the only thing that is important. It is a matter of time. And the spiritual life is the only thing that is important.

This is the purpose of this, that is the Christian's soul. Why? We should have a good time. You should have a good time. You should have a good time. If you have a good time, why? Because you should have a good time.

The spiritual life is the only thing that is important. If you have a good time, you should have a good time. And this is the purpose of this, It has a good time. And this is the purpose of this. Which is it? Is it■■■? The purpose of the gene digit stage, is that you should have a good time.

And this is the purpose of this. You should have a good time. They are doing what they are doing, they are doing what they are doing. Because they are doing what they are doing. This is what they are doing.

When the Christian was born, the earthquake was destroyed. That is the manifestation that what they are doing is true. The earthquake that they were born, they were destroyed. We are going to say that, but they were destroyed. Because they were destroyed in the east and the west.

Because they were destroyed in the east and the west. They were destroyed in the west. The people of God's favor were destroyed. They were destroyed in the east and the west. We were destroyed in the east.

We were destroyed in the east. We were destroyed in the east. It was born again from above. We are now in the east of the pious world. What does the pious world say? Born again, born from above.

The pious world is the only pious world that is not yet the pious world that is yet to be. So that should be our goal, to transform ourselves, our mind, our heart, our life. Though we live here on earth, we should try to have a heavenly lifestyle. Amen? And what we should do is to make our minds and minds that are not yet ready to be born. The pious world, to unceasingly pray, to Jesus, the pious world, to always pray and never get tired.

When we are in the battle of our fathers, we should be able to make our minds and minds that are yet to be born. Because the concern of the pious world is not yet ready. If the world is not ready and the pious world is ready, then what is this? The pious world, to have a training day, we should be able to train, not to forget, to pray to the Lord, to pray to the Olympics, to pray to the Lord, to pray to the Lord, to pray to the work, to enter the church. Amen? And the Christian, to pray to the Lord, to pray to the Lord, to be able to get the Lord. The pious world, to pray to the Lord, to real lose the spirit of the pious world.

Amen? Let us read this first. If there is a pious world, the pious world will have to practice to pray to the Lord. Correct? You see? But if there is no Christ, we will not be able to do it right. Amen? The pious world will be able to pray to the Lord with regard This is the foundation of our worship. Here in the world, we will see the spirit of worship.

O, may the Lord be pleased. May He be pleased when He is pleased. O, may He be pleased when He is pleased. O, may He be pleased when He is pleased. Confident.

May He be pleased. O, may He be pleased. We have faith in Him who is pleased. Because I should be pleased. But, if He be pleased, He never is pleased.

There is nothing in it. What is He like? Like the world sh ensemble. You should display that. What is He like to do in this Father? What is He like to worship, the Word of God. What is He like to worship? What is He like to worship? We are not here in the world, in the world of God's will.

So I am inviting you and reminding you my dear friends. The first place that we should strive to prosper, to be successful, is in our spiritual life. Our spiritual life is the foundation of our life here on earth. Our spiritual life is our bridge to heaven. And the spiritual life of God is the foundation of our life.

We are beginning with the foundation of God. My dear friends, when you pray, do not tell God how

big your problem is. Rather, when you pray, tell your problems, how big is your God. How do you pray? How do you know God? When you are there, you will see that you are the only one who knows. When we have a problem, when we start to feel sad, we will feel sad.

But this is what we should say to God. What are the problems that we should solve? How do we solve our problems? But what is the foundation of God? It is the foundation of God. The foundation of the Lord is the foundation of the Lord. The foundation of God is the foundation of the Lord. What is the foundation of God? When you pray, tell your problems, how big is your God and how big is your God.

What is the foundation of God? If you pray, tell your problems and how big is your God. Oh, what is the foundation of God? The Bible gives us a proof of how strong, big and powerful is our God. Oh, is this God that we believe? How do we solve our problems? What is the foundation of God? The foundation of God is the foundation of God. The foundation of God is the foundation of God. In Christ who strengthens me.

Why? Because the resurrected Christ was in him. They were very weak, were very strong. They were very weak, they were very strong. But, the Apostles of Tilingaia Maniwala were very strong. Their strength was very strong and strong.

They were very strong, but their strength was very strong and were very strong. Even if you have a child, even if you are a child, you will be a child. You will be a child and you will not have a child in one mission. What is this telling us that even this belief, even doubt cannot stop God. What you will say and when you find out God is no longer a man of God, why are you doing this? That what we have God saying is We should just be left faint.

God is valuable and so is our soul. If you have faith at the size of a master's scene, you can say to this mountain move. You can say to the tree, move. It will move. O, O, do madan tayo sa mga panakon na tahinahan.

O, O, meran tayong pag dudud. O, O, minsan nara ramdaman natin malaki. Ngutang nababayaran natin na hihirapan nat tayo. Nakikitungu sa atima kamagana kapamilia dahil silisira an tayo gina gawang mahirap ang ating buhay. O, O, dai iniskanah jan sa'yong asawa antiga sangulu.

O, O, sawakanah jan sa'yong anak sobrang pasawai. O, O, ayo menagusuman ang sumukodahil. Napa kasa kit ng yong nara ramdaman sa katawan. O, O, alam ko yong iba sa inyo, gusto nga umuhi sa Pilipina sumukodahil nga hukumsik na di depress. Tutu upu, ang mga rialidad na ito tutu upu, ang mga masasakit at malungkut nakara nasan na ito.

Pero kahit nakakaunti katiting na panini wala kaihesus. Sa patna, nga mapangiaiarinya ang kanyang himala ang kanyang kapangia rihansa iyo. Sao let us once again unite ourselves with the

resurrected Christ. Let us ask the Spirit of Christ to be with us so that we can do all things through him who strengthens us. Please remember this, that no one can close the door that God has opened for you ang ganda pun.

No sinu man makaka pagsara ng pintuhan kung ito ay binoksa ng dios para sa iyo. Dahil ang par sayo ay par sayo. A kahit naanung gawin ang ibangtao para hindi ka makapasakja. A kahit na magplanu sila kahit nasiraan kanila kahit na pigilan kanila. Kung pinlanu ng dios ng ang pintong yan ay par sayo.

Walaang magagawaang ibangtao kahit na maginghat lang ang ibangtao sa iyo kahit na gumawa sila na masama. Waga magalala nahil mas makapangyarihan ang dios ay sa sa sinu man maka. Iman yan ang cuento ng unang pagbasa na pagganda malikanyu unawain iyo. Anon naridig natin dinam puk ang mga apostolam paginogon. Inu lum sila pero nagpadala ng ang hill ang dios para buksan ang pintuhan ng puluhan.

Nung kinao magahan nabigla ang mga nakakatan ganang bayan ang mga pari ang konseo ng sanhedrin. Abah pinakulung natin ang mga taong ito bakit. Nakalabasa na mga malaya na naman sila. Kasi hindi planu ng dios ng mga apostol ay makulung ang planu ng dios ay sila ay malaya para ipahaya ang mabuting balita ng kulkai esus. Believe that my defrance.

But someday God will also open your closed door for you. God will bring you to the place where you should be. Where you are now you are supposed to be there. Iman, unawain yoko yon takit na nasan kaman planu ng dios yon na jan kamuna. Maigina goa ang dios nara pin kadin ahantong kadin dun sa lugar ng pagumpay dun sa lugar na payapa.

Duhun sa lugar na ang saan ikaw ay masaya at magpapabuti sa iba. Kung wala ka pa dun maniwala ka hindi pa panahun para mapun taka dun sa kalagayan ayon. Pero pan panahun na wala magpapag pagil sa yon. Pan panahun na nangin ang pagumpay nangin ang kalayaan ang josmismo shanggagawa na paraan para sa yon. The good news is God will make a way.

Iman, repeat that every day. Let the be your prayer, your belief. God will make a way for me. God will make a way for my family. Hindi kami ahayaan ng dios na mabuluk na lang na makulung na lang na mapabayaan na lang.

Maigina goa ang dios. And panakarating ka na dun sa lugar na takumpay. Kahit man meron mag planu na masama hindi kanyama papabang sak at mapapababah dahil ang gaglagay sa yon jan ayon. Dahil kung galing sa josm mag datagan. Iman, nara kung galing lang sa masama hindi yana ahayaan ng dios na manakili.

Te anawak tayong mag alala umerom mananinirasa yos sa opisina ang josm ang mag datangul sa yon. Kung man ikaw ay nagdini goa siyo meronaninirasa yyo para malugika kung ka man alana

alay mo sa dios mag daseltak. Kung ang jos ang nagbigeisayon ang legosyo ang jostim ang gagawa ng paraah, para yan ayilumabong, magang dang itanong yan. Ano yung mga saradong pintu anang buhay ko nagustokong pabuksan sarayong. Saradoparin ba yung application para sabisa hindi ka panakaka punta sa i mang bansa, Manalika maniwala ka pagang josang nagbukas niyan tuloy tuloy tuloy.

Saradoparin ba yung mga opportunidad kaya hindi ka nakaka kambayan ng kutan, Manalika maniwala ka sa yos. Ang pinok sa niya yung mga opportunidad, sonod sonod, Hindi lang pambayan ng utangamaku umam, Saradoba ang isip ng asawamu, Hindi ka na mahalin dina kayo inu uyan, kayo ng papamilia, kayo ng mga anak moan, ahlay mo si sa jos ang gasele moan. Pagna liwanagan yan, manaan natilik mga ba ba buyan, Hindi mo na makikinala yung yung asawam. Saradoba ang gagayon yung inahanap moong papagaling, magangang kalusoga ang nasan ka Manalika sa yos. Naka pagdakat naka pagbilin ito po, kahit nakinolong ang mga opportunis, Hindi silatomigil ng dasal at nagpuri sa gins.

Nakin naman talagaan naging dahilan, bakit Hindi silapinabayaan ng dios. Pinatunayan nilang kanilang, manaanalik sa kanya, naka hit na sa gitnanang dilin, gitnanang problema ng pagkulong, Hindi ng hina ang kanilang pananan palataya sa kanya. Do you want God to open doors for you then keep on believing, keep on praying, keep on loving the Lord. Ngako po ay bumisit sa sibu, mayerang putayong isang follower na nakin pagmit sa akit. Palagi pu shang nanunod sa ati mga online mas, palagi siyang nagikinig sa akit mga humili, ngay pu shang tatay, verifatful asipangpo ng saservinpo sa parokya, bing ng yokaristic minister nagpapasubok ng communiak, pero bing niyan pu shanang napakahirap na pagsubok ng panginokon.

Nang kanyang anak nababaya nakitapo na meerang siis sa kanyang overey. Kaya itapong tatay, tung ama na sakta sa makitang lobesadeos. When tapu niya sa kain habang nagnaman ehodau siya, ang karun siya ng pagdududapangihina ng panan ng palataya, while he was driving, he was questioning gaa, ngasabinya panginon, makit ganyang kanaman. Bing naman ako ng kulang sa yo, umuh tulung ako sa parokya, umuh tulung ako sa mga mahihirap. Makit kay langan yung aking anak ang mga sakit, ako nalam pu.

And while he was having these thoughts of doubt and resentment, bing la bing la dawpu, nalam isang malakintrak ng nagkat, umunta sa harap ng tanya sa sakya. At salikupo niyatong track, may nabasa siya, ng yap pokong ano, yin nakasula, napan sinpunya, natin isem passable with gaa. Was that an accident? This is the power of the resurrected Christ, the good shepherd. Kamukanasinas habi sa o ng pagbasa ang pilai, nakalakat ang may sakit, gumaling, dahil sa makapang yarihan, napangala na pagin ako, nesupristo. Bakit pataya magdududa, hindi pa ba sa patian, nang maging inspiration natin sa ating mohay. Bakit tayo na lulungkot, bakit tayo na gaa lala, ah kapatid, pa salamat tayo palagi, dahil hindi tayo hina hayaan, nang mawala at mapabayaan, nang ang inokorn. Mah kapatid,
